

Pipe Cleaner Bunny

- 4 pipe cleaners
- pencil or pen
- pom-pom ball (optional)
- small beads or googly eyes
- glue

Good shapes to use when building with pipe cleaners:

- **Coils** - you can make this shape by wrapping a pipe cleaner around a pencil. Where else do you see coils in nature? *Hint: vines, snakes.*
- **Spirals** - you can make this shape by winding a pipe cleaner around itself so it makes layers of circles. It should look like a snail's shell.
- **Twists** - you can fasten two pipe cleaners together by twisting one around the other.

1. Pick 2 pipe cleaners for your bunny's body and ears + feet. They can be different colors or the same color.
2. Make the body. Wrap a pipe cleaner around a pencil or pen in tight circles. Squeeze it together to tighten the coils. Slide it off the pencil.
3. Take another pipe cleaner and fold it in half. Take the bended end and fold it down half way. The two loops will be your bunny ears!
4. Push the two ends into the other coiled pipe cleaner so they stick out the other end.
5. Tuck the two ends into the bottom of the coiled pipe cleaner. Then bend them so they lie flat with your work surface and prop the bunny upright. These are your bunny's feet.
6. Glue small beads or googly eyes onto the top of the bunny's body. Hold them down so they stick.
7. If you have a pom-pom ball, glue it onto the bunny's face as the nose. You can also cut off the end of a pipe cleaner and bend it so it forms a round shape.
8. Make the bunny's carrot! Wrap half a pipe cleaner around the tip of a pencil to make a coil with a pointed end (use an orange pipe cleaner for this if you can).
9. Make the leafy greens on top of the carrot. Cut off a third of a (green) pipe cleaner. Make three folds so it looks like 3 leaves. Stick the folded pipe cleaner into the wide end of the carrot.
10. You've made a new fuzzy friend!

Step 3

Step 4

"And pray in the Spirit on all occasions with all kinds of prayers and requests. With this in mind, be alert and always keep praying for all the Lord's people."
Ephesians 6:18

You can do so much more with pipe cleaners than just making animals! You can also use them to pray for other people. Take a straight pipe cleaner and bend it into a letter. Then think of someone you know whose name starts with that letter. Spend a few minutes praying for them. Then bend the pipe cleaner into another letter and pray for someone else.
You can also take two pipe cleaners and twist them together. Use them to help you pray for people who are lonely. Ask God to be with lonely people during this pandemic who can't see their families and friends.
